Authenticator Not Added >

< Back Next >

Optional: Setup 2FA for added security

7

I am a...

Select your main role below. You can add additional roles to your account later.

Competitive Dancer

Parent or Legal Guardian

< Back Next >

If you are the parent or legal guardian, select that role

8

Let's verify your identity.

The fastest way to get verified is by using your valid government-issued ID. We strongly recommend this option for its speed and convenience.

STEP 1

Place ID on contrasting background

Verify in ~2 Minutes via ID

To confirm your identity, we require a valid government-issued ID. For the best scan, ensure you are in a well-lit area and take a picture of your ID on a contrasting background like a dark table.

Click "Verify in ~2 Minutes Via ID"

9

ADULT VERIFICATION

You are required to complete adult identity verification.

International Competitive Dancer Registry

The International Competitive Dancer Registry (ICDR) is a secure online platform for youth in competitive dance, designed to protect dancers by verifying identities, anonymizing sensitive data, and safeguarding performance media. With powerful tools like waiver management and participant tracking, ICDR helps studios and competitions streamline operations, elevate safety and fairness, and provide...

In order to register your children for the ICDR, you are required to provide valid adult identification. Review the verification requirements below and click the "Continue" button to begin the verification process.

NOTE: If you decline to complete verification, all information collected will be deleted and you will not be able to add children to your account.

ADULT IDENTITY VERIFICATION

Verify You Are an Adult

Begin the Verification Process

You will be required to verify your identity by providing a North American government issued ID along with a matching selfie to the image obtained from the ID.

1

Be sure to have your ID ready. This is a timed event.
Click the button below to start the process.

Start Verification

Get your government issued ID and click "Start Verification"

11

Verify You Are An Adult

Information collected is not stored by PRIVO without your consent. [Learn how your data may be used here](#)

Secure Powered by PRIVO

Government Issued ID

5 minutes

This process will scan your ID and validate the information on the presenting document. A live selfie is required to match against the document photo.

The data you provide **MUST** be an exact match to the data on the ID presented for verification.

This is a timed process you will have 10 minutes before it times out. This process works best on a mobile device.

Verify Now

You'll enter a secure third-party verification via PRIVO, click "Verify now"

HOW TO REDEEM MEDIA

USING ICDR

12

A screenshot of a web form titled "Government Issued ID" powered by PRIVO. The form is titled "Your Information" and contains fields for "ID Issuing Country" (Canada), "Document Type" (Government Issued ID), "Passport", "Other", "Horlick", and "Birth Date" (11/12/1985). A yellow arrow points to the "Document Type" dropdown menu.

Select a document type and ensure your sign-up info matches your ID

13

A screenshot of a security check page titled "I'm not a Robot". It asks the user to enter words from an image (a person's face) separated by a space. The image shows a person's face with a glowing shield over it. There are "Refresh" and "Voice" buttons, a text input field, and a "Submit" button. A yellow arrow points to the "Submit" button.

Complete the security check, enter the words, and click "Submit"

14

A screenshot of the "Government Issued ID" page showing a large QR code. Below the QR code are "Copy" and "Share" buttons. The text above the QR code says "Continue Scanning on mobile" and "To process you need to scan this QR Code on your mobile device or share a link and open it on mobile." A yellow arrow points to the QR code.

Scan the QR code with your mobile device to continue verification

15

A screenshot of a "3-STEP Identity Validation" screen. It features an illustration of a person's face with a shield. Below the illustration, it says "Information you submit will be subject to Intellicheck's and PRIVO's privacy policies." and provides links for "Intellicheck's Privacy Policy" and "PRIVO's Privacy Policy". A blue "Start" button is at the bottom. A yellow arrow points to the "Start" button.

Allow camera access on your phone when prompted then click "Start"

16

A screenshot of an ID scanning interface. It shows a dark background with a white frame for the ID. The text "Scan front of ID" is at the top, and "Position your ID within the frame." is at the bottom. A yellow arrow points to the ID card being scanned.

Scan ID front clearly on a dark background and hold still

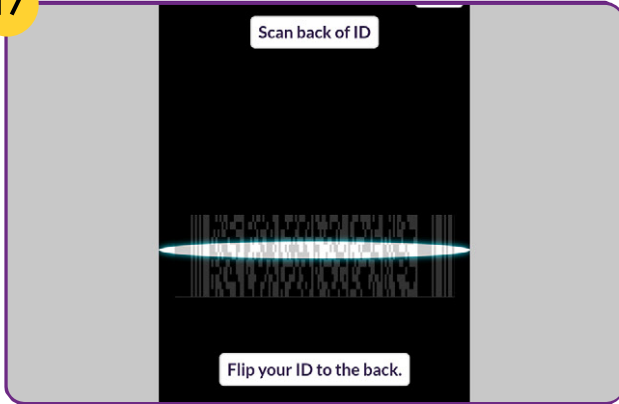

HOW TO REDEEM MEDIA

USING ICDR

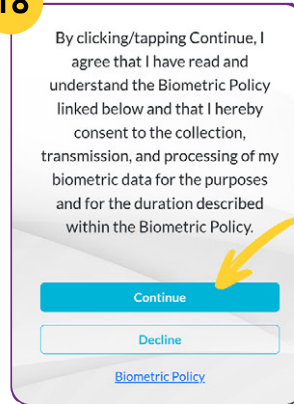

17

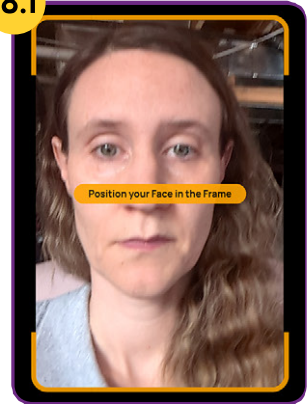

Scan the back of your ID

18

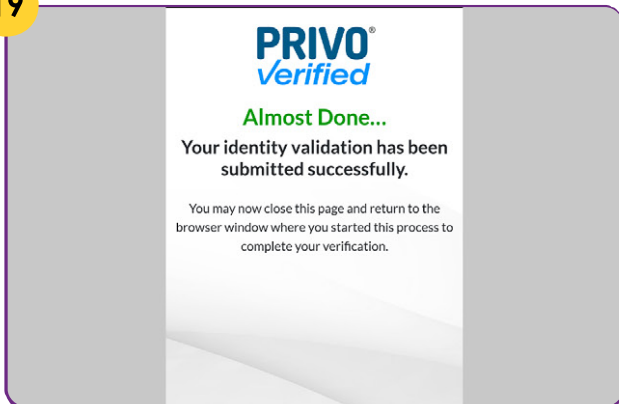

Click "Continue" to consent and complete the liveness check

18.1

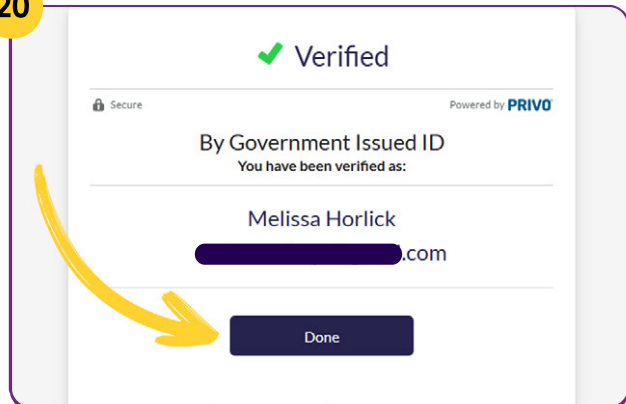

19

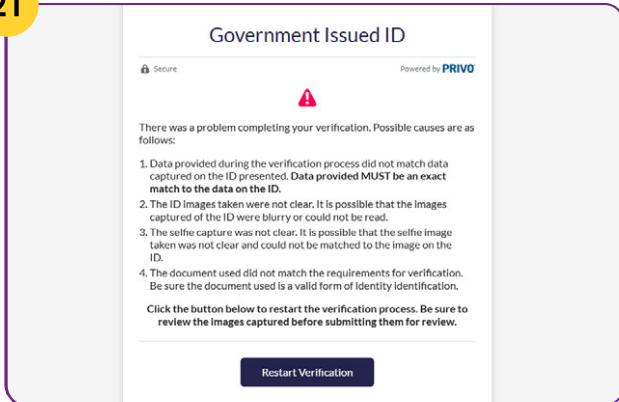

Return to your desktop to complete process

20
